

# Teacher's Toolkit

## VCE BIOLOGY 2020

INTIMATE, INTERACTIVE SUBJECT SPECIFIC PROFESSIONAL  
DEVELOPMENT, CREATED BY TEACHERS FOR TEACHERS

### We are excited to present our 2020 Teacher's Toolkit program for teachers of VCE Biology

Each session will focus on a Unit of the study design. Attend all four sessions or just the ones that you want to – it's up to you.

Not only will you have an opportunity to network with the presenters and teachers of the same subject from other schools, you will also be presented with the following.

#### Teaching resources such as:

- time-saving assessment tools
- strategies to help students remember information
- engaging apps and websites
- sample SAC tasks and suggested responses
- tips for explaining complex concepts
- other classroom activities that you can immediately implement in your classroom; and
- an overview of the exam

All sessions presented by **Andrew Douch**

# Teacher's Toolkit

VCE Biology 2020

The main purpose of this program is to provide teachers with a range of teaching strategies and learning activities that focus on great strategies and ideas that can be used in the classroom to teach and assess the key knowledge and key skills in VCE Biology.

During each session you will be provided with:

- resources that save time for teachers whilst increasing the effectiveness of the feedback given to students
- suggested timelines and teaching strategies
- resources to make Biology fun and engaging
- clarification of concepts that are frequently misunderstood by students
- the opportunity to network and share ideas with other VCE Biology teachers.

**This program meets the following standards of professional practice as required for ongoing registration with The Victorian Institute of Teaching**

#### Professional knowledge

- Teachers know how students learn and how to teach them effectively
- Teachers know the content they teach

#### Professional practice

- Teachers plan and assess for effective learning
- Teachers use a range of teaching practices and resources to engage students in effective learning

#### Professional engagement

- Teachers reflect on, evaluate and improve their professional knowledge and practice
