NEW TO VCE YEAR 12 ENGLISH IN 2020?

This program is intended to provide teachers who are new to teaching VCE Year 12 English with clarity about the nature of all SACs and the essential teaching required to prepare students optimally for them.

In addition, it will offer sample tasks as exemplars in most key areas: teaching single and paired texts, oral presentations and analysing argument and language which persuades.

There will also be considerable focus on the nature and demands of the all-important final exam on 28 October, with detailed exploration of its three tasks and how these connect with the Units 3 and 4 SAC tasks. The session will identify key pressure points for teachers and students and provide strategic approaches. There will be ample time for discussion and questions.

In addition to this you will be able to network with other motivated English teachers from other schools.
